

REMARKS

In response to the "Notice to File Corrected Application Papers/Notice of Allowance Mailed" mailed August 23, 2010, we filed a 1.312 amendment on October 6, 2010, submitting new Figures 13-15.

The amendment was entered on October 12, 2010.

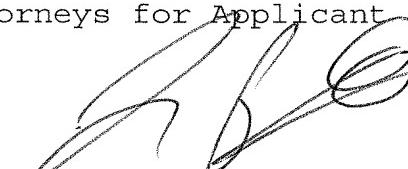

However, we have since noted that the substitute figures as filed were not compliant with 37 CFR 1.121(d), as they did not bear the identifier "New Sheet" in the top margin.

We feared that the drawings could be belatedly disapproved by Office of Publications. However, since the figures 13-15 enclosed herewith are replacing the figures submitted October 6, and entered by the examiner, we were unsure whether they should be labeled as "replacement sheet" or "new sheet". We consulted with PTO Customer Service Representative Terry Dyson at the contact number set forth in the Notice, who in turn consulted with Joshua Chase. We were advised that they should be labeled as "replacement sheet".

Respectfully submitted,
